START AGAIN

RESTART
On wall 6 (facing 9 o'clock), you will restart after 12 counts (i.e. after the crossing twinkles)

FINISH
On the last wall, you will be facing 9 o'clock. Change the Right twinkle so that it turns ¼ Right to face the front starting wall, then step forward on the Left foot & hold.

STYLING
Every time you do the big step back & drag when you are facing the 6 o'clock wall, the lyrics in the song are "Love don't look back" … but we know that linedancers don't always do what they are told ☐ so you CAN look back over your Left shoulder if you want! Lol.
